

LYMON JIN

285 CIERA BAYLINER

Lymon Jin is a 2005 Bayliner 285 Ciera, a popular family-sized cruiser with a practical cockpit and space for overnight trips. Powered by a freshly rebuilt MerCruiser 350 HP engine, she offers seating for up to eight in the cockpit and a flexible cabin layout for a couple or small family. Lymon Jin is an opportunity for someone looking for an affordable cruiser they can enjoy while making it their own.

COCKPIT & HELM

Lymon Jin's cockpit seats up to six, with a reversible bench backrest that lets guests face forward while underway or toward when relaxing.

A removable table provides space for meals and can be stowed when you want more room to move. 4 Kenwood speakers built into the cockpit side panels ensure the atmosphere is always right.

The helm is equipped with Lowrance GPS, depth sounder and radar, a NAVman chartplotter, Ritchie compass, and Uniden VHF radio.

CABIN & SLEEPING AREAS

Below deck, Lymon Jin has a flexible layout for weekends aboard. Sleeping arrangements include a forward v-berth — open to the main cabin but can be separated with a privacy curtain, and a mid-cabin berth with a door for a more separate sleeping space

The dinette provides seating for meals and converts into an additional berth when needed.

The cabin comfortably sleeps four, with the dinette offering extra sleeping space for up to six.

GALLEY & HEAD

The compact galley includes a stainless steel sink, Origo 4300E two-burner cooktop, Tappan microwave and storage cabinetry below. A Norcold DE0051 2.7 cubic-foot refrigerator is fitted beneath the dinette.

On the right side of the galley is a dedicated TV/entertainment shelf with 12V and 110V power connections, and bench seat below that opens for additional storage.

The enclosed wet head includes a manual JABSCO toilet and hot/cold sink basin. The space functions as a stand-up shower with a wall mounted pressurized hot/cold fixture, and curtain behind the door for additional splash protection.

PROPULSION & TRAILER

Lymon Jin is powered by a new, gasoline-fueled 350 HP MerCruiser engine paired with a Bravo III sterndrive. With just 35 running hours since installation, she's well positioned for her next chapter on the water. A Yamaha 9.9 HP kick provides auxiliary power.

A cruising speed of 25 knots, and top speed of 35 knots, offers brisk performance for weekend cruising with the family.

Included is a 2012 Loadrite dual-axle trailer is for transport and storage, making Lymon Jin a complete package ready to head to her next destination.
